ABOUT THE SPOT

Kashmir was a region formerly administered by India as a state from 1954 to 2019, constituting the southern and southeastern portion of the larger Kashmir region, which has been the subject of a dispute between India, Pakistan and China since the mid-20th century.

Known as Heaven on the Earth, Jammu & Kashmir is where Mother Nature has bestowed all her love. Enclosed by the Himalayas and Karakoram ranges; and festooned with verdant meadows, lush valleys, dense forests, this new union territory of India is a holiday destination to instantly fall in love with.
