ABOUT THE SPOT

Spiti Valley is a cold desert mountain valley located high in the Himalayas in the north-eastern part of the northern Indian state of Himachal Pradesh. The name "Spiti" means "The middle land", the land between Tibet and India.

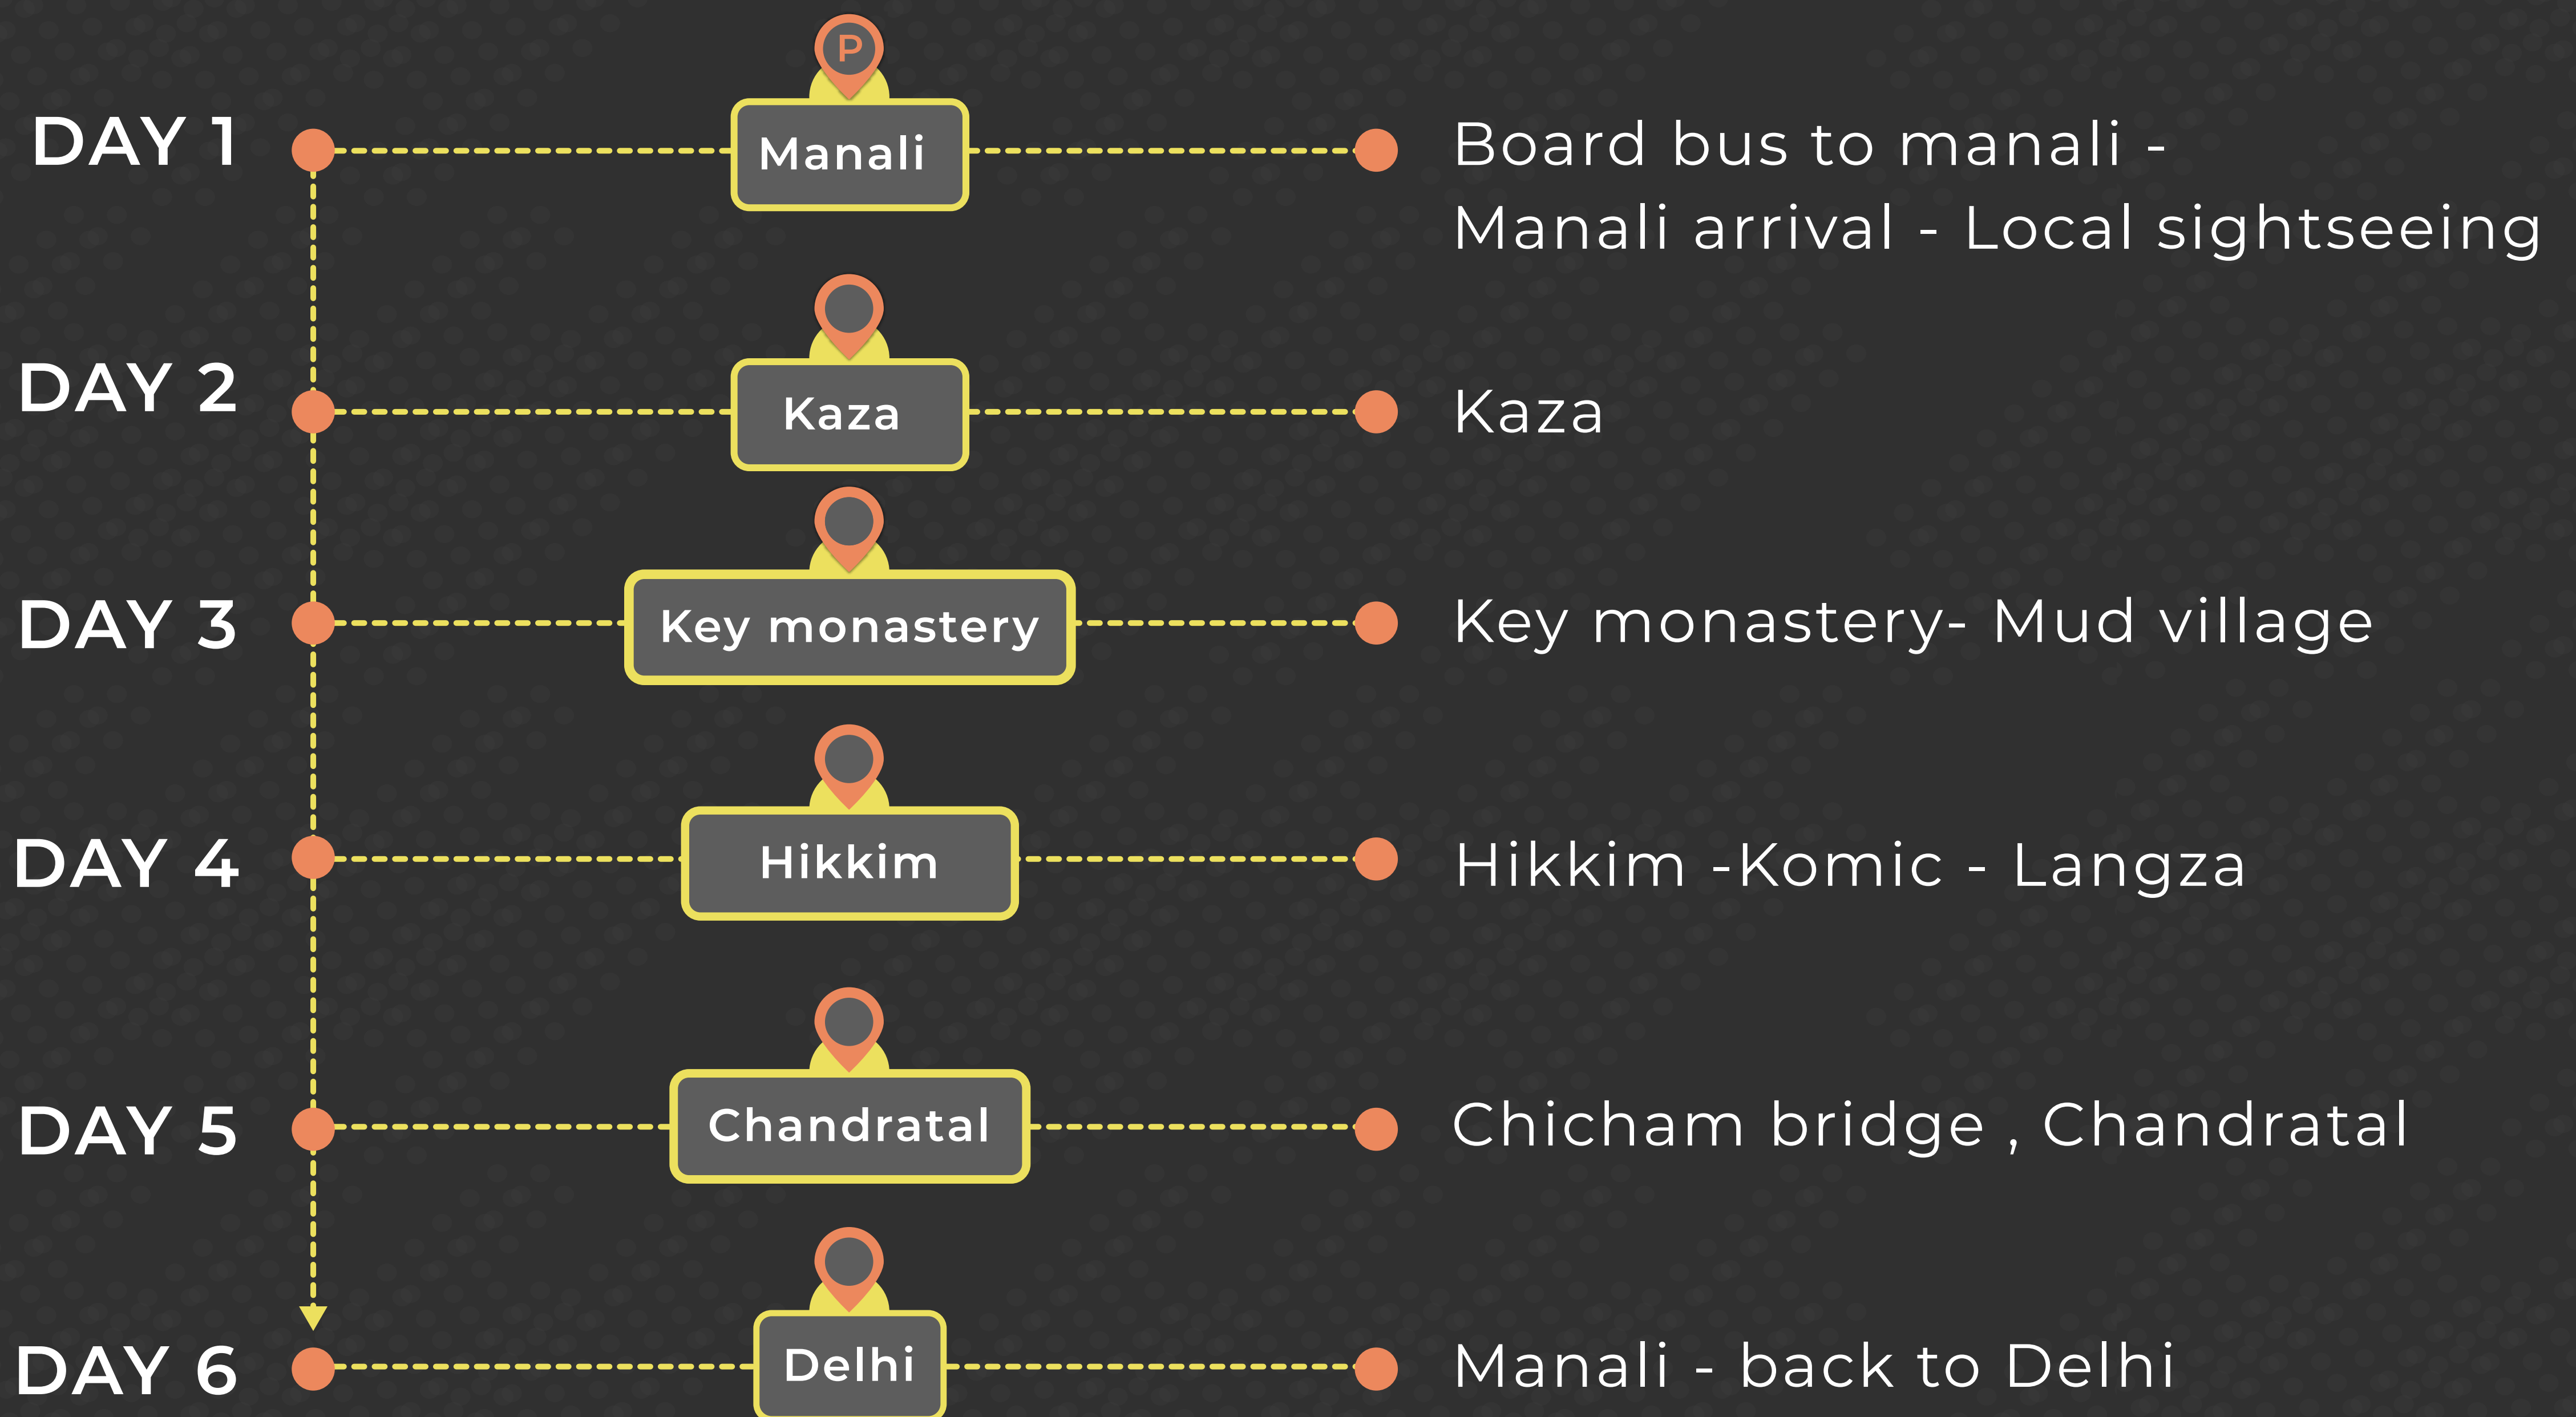

Spiti attracts many travellers, including streams of Indian motorcyclists, as a kind of 'mini - Ladakh without tourists crowds', which is fair enough, since its pristine nature (High - altitude desert) and culture (Tibetan bhudhist) are still intact. The approaches to spiti remain among the most rugged and scenically spectacular roads in India, and the Spiti-Kinnaur loop is one of Asia's great road trips.
